

# TEEN PEER-TO-PEER GROUP

## For Teens

Teens do so much better when they don't feel alone in their loss. To help teens build a sense of community, YoloCares for Kids is hosting peer-to-peer groups to bring teens together.

These bi-weekly groups will give teens space to share their grief stories as well as have a lot of fun with art, crafts, games, music, cooking and more.

## For Parents

Parents and guardians will also have the opportunity to meet as a group for grief support in a separate space. Chris Erdman will facilitate the adult support groups and Elisa Stone will facilitate the teens groups along with many volunteers.

Sign up by emailing [griefsupport@yolocares.org](mailto:griefsupport@yolocares.org) or call (530) 758-5566. The groups are open-ended and youth may attend as long as they wish. Groups are limited to 15 participants.
